

Hi All,

We are Bindu & ANIL parents of Abhishek & Asin Kommineni we have visited Lotus children hospital as our kids were suffering from Stomach flu & UTI and need to get admitted as they were not retaining any food around 3.00 am early in the morning the services provided by the doctors, nurses and even the admin staff was extraordinary we never felt that we were in hospital until the day we were discharged especially the thorough diagnosis done by Dr V.S.V. Prasad is praise worthy. We felt Lotus children hospital is the best hospital in terms of care & the services provided in Hyd.
