

The Golden First Hour...

In critical illness in newborns and children, timely interventions save lives!

The first hour after the onset of critical / life threatening disease is the most crucial.. for survival!

- ◆ Newborn & Pediatric Critical Care
- ◆ Trauma, Burns, Surgical Service

- ◆ Advanced Technology with the commitment of UK and USA trained Pediatricians and Pediatric Surgeons

The Critical Care Hub!

LOTUS

children's hospital

children's are our focus...
